Folks

We would appreciate your review of the following sections in the attached draft letter that are most focused on 404 issues:

- 1) Last substantive paragraph in cover letter (pages 1-2)
- 2) Aquatic Resources Sections (pages 7-14 – ending with Compensatory Mitigation Section)

These sections are clean and reflect the most recent revisions.

Please ignore all other sections of the letter, other folks are finalizing those sections.

Please provide your edits in redline in the attached onedrive file or word file NLT 9:30 AM ET tomorrow 8/13.

Let me know if you have any questions.

-Palmer
